Our Wedding Barn nestles in the rural hamlet of Wardlow Mires, surrounded by countryside in the heart of the National Park, with views out to Cressbrook Dale and local landmark Peter's Stone, ideal for a rustic photoshoot or a pre-wedding stroll.

Lovingly renovated by the owners, the wedding barn is part of a much larger site that is exclusively yours, with room for 26 guests to stay in a large holiday barn and a cosy cottage, just a few seconds stroll away from your wedding barn.

When you book your wedding with us, we give you exclusive use for the whole weekend. With an emphasis on DIY, you can create an intimate wedding for 40 people, or have a larger event for up to 120 of your family and friends.

WEDDING BARN

Our wedding barn measures 20m x 12m, a surprisingly large space with room for dining and boogying in equal measure, kitted out with tables & chairs, festoon lights, ceiling drapes, fairy lights, a huge vintage mirror ball, and access to the games room beyond.

TABLES & CHAIRS

Your wedding booking comes with oak cross back chairs and trestle tables, as well as lots of long wooden table & bench sets, giving you the freedom to arrange the barn to suit your style, whether that's formal or informal, with seated table plans or a free-for-all.

GAMES ROOM

Open up the wide wooden doors from the wedding barn into the games room measuring 10m x 10m, with pool table, darts, table tennis, comfy sofas and all important WCs. The in-built pizza oven is ideal for informal wood fired pizza, ideal for evening nibbles.

HOLIDAY BARN & COTTAGE

Literally a stone's throw away from the wedding barn, the beautifully renovated holiday barn & cottage sleep up to 26 people. The large open plan lounge/diner/kitchen in the barn is a highlight for wedding groups gathering to prepare for their big day, or for family & friends breakfasts pre- and post-wedding.

SPACE FOR CATERERS

Next to the wedding barn is a useful prep space for your caterers, fitted with stainless steel tables and a sink area. Caterers have access to the back of the wedding barn, where they can set up a food station and serve you directly. You can book your own caterer or we have a list of some local companies who have previously worked at the barn.

BAR AREAS

You and your guests can enjoy a tippie or two in the bar area around the wedding barn & games room. You can hire a company to run it for you (we can recommend some), or organise your own bar – we don't charge corkage.

COVERED TERRACE

To the side of the games room is a sheltered terrace with outside dining furniture, ideal as a breakout space for you and your guests.

SUNNY LAWNS

The two grassed areas are ideal for wedding ceremonies, or for games hired in by wedding parties, such as giant jenga, chess, or croquet.

PARKING FIELD

Need parking? We've got you covered – a whole field's worth.

I DO...

You are welcome to have a legal civil ceremony/wedding at the barn. We don't charge extra for this, you just need to contact Bakewell Registry Office and book with them directly, and then let us know your date and time.

We are licensed for weddings in the wedding barn, or one of the two lawns.
